Dear Community Liaison:

The 152nd Session of New Jersey Annual Conference of the African Methodist Episcopal Church will convene in Atlantic City, New Jersey from April 2 through 7, 2024.

The African Methodist Episcopal Church is the oldest African American Church in the United States. It was organized because the Black members refused to be segregated within the church balcony. The Right Reverend Richard Allen was the organizer, founder, and first elected and consecrated Bishop. Today, the African Methodist Episcopal Church (A.M.E.) has approximately 500,000 members throughout the United States, Africa, and South America. While the conference is hosted in New Jersey, we anticipate 300 delegates, 750-800 ministers and laities from throughout the country and abroad will attend this meeting.

We are providing kits for delegates (**approximately 300**) and other attendees. Atlantic City is a tourist venue with a reputation for outstanding hospitality. Accordingly, we are soliciting items from your company to place in the kits to provide knowledge about your business.

The New Jersey Annual Conference is pleased to promote your company in this manner.

We look forward to a positive response from you. Please complete the attached form and return it by March 10th, 2024.

Sincerely yours,

Rev. Dr. Michael K. Keene, Sr.
